Attorney's Docket No. 07844-412001

REMARKS

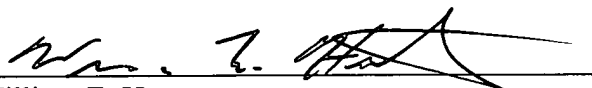

Claims 1-6, 8-19 and 21-27 are allowed.

Upon review of the file upon allowance, it was discovered that the priority claim was not included in the specification as filed, as required by 37 CFR §1.78 (a)(2), and was not inserted by amendment during the prosecution of this application. Applicants had believed this to be complied with as is evidenced by the priority claim listed on the official filing receipt mailed May 6, 2003. Accordingly, Applicant respectfully requests entry of the amendment as it pertains to matters of a technical nature. No new matter is added.

Please apply any other charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

Date: Feb. 27, 2006
